

Negotiations Collective

Custom
Training
[Client Impact]

Training Brief

Negotiations Collective (NC) recently partnered with a leading North American data and technology organization in the energy sector, to deliver a customized Negotiation and Conflict Resolution program.

The engagement focused on strengthening how teams approach complex conversations, how to develop and deploy structured negotiation frameworks, and practical communication techniques

Cohort size: 14

Our sessions are intentionally designed to be focused and highly engaging. Our client received our cohesive, cohort-based learning experience.
